

MyBenefit Cafeteria

New benefit at Capco Poland from
01.06.2022

Agenda

MyBenefit Cafeteria
MultiSport cards
Lunch cards
Next steps

MyBenefit Cafeteria

- As of **01.06.2022**, we are moving away from Edenred lunch cards to be replaced with **MyBenefit Cafeteria**, which has thousands of benefits available immediately!
- We want our employees to be able to relax in their favorite way after work, so that they can maintain their work-life balance. To make it easier for you, we offer you **MyBenefit Cafeteria** - an online platform full of various benefits.
- We will credit **your Cafeteria account with points (263 PKT= 263 PLN)**. You can freely use these funds, and if you run out of them, you can conveniently pay for each benefit by card or bank transfer.
- Decide for yourself what is important to you and what benefits would be best for you today. You can choose from thousands of offers available all over Poland! We especially recommend cinema tickets all over Poland, theme parks and other attractions for the whole family as well as holidays in Poland and abroad.
- Please find the folder which contains all the information about Cafeteria - [Cafeteria MyBenefit](#). You can also find videos that show you step by step how to use its functionality.

What about
MultiSport cards?

MultiSport cards

- **The MultiSport** program will be moved to the Cafeteria under the same rules as established.
- All sports cards for the Employee will be **50% funded by Capco** (funds will be taken from the Cafeteria) and the remaining 50% will be deducted from salary.
- The sports card fee for a companion will be 100% deducted from the employee's salary.
- **What will be new is that from June** you can order your MultiSport card via the MyBenefit Cafeteria.
- Remember that once you order the card, you need to download, print, fill out and deliver to your HR **a consent to deduct the cost of the card from your salary.**
- All current activate cards will be implemented to Cafeteria, so if any of you would to disactivate your card or order a new **from July - you will be able to do it on your own via the Cafeteria.**

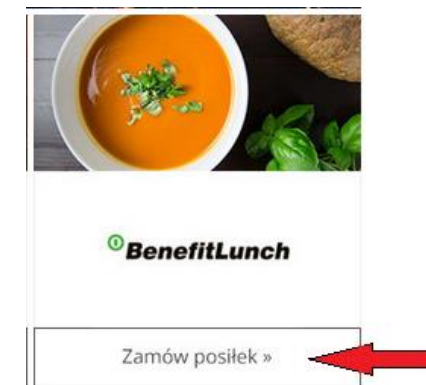

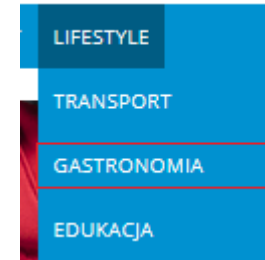

What about
lunch card?

Lunch cards

- **May was the last month** we had lunch cards loaded. If any of you have not used your funds from month to month (lucky You 😊), you have until the end of the card's validity to use them.
- Therefore, I would ask each of you after this email **to check the expiry date of your card and to remember to use the credit before it expires.**

- I'd also like to assure all of you who, like me, really enjoyed the lunch card that nothing is lost!
- **Cafateria has a Gastronomy tab** in their offer, and there are vouchers for pyszne.pl, Glovo, various catering companies, codes for Benefit lunch, etc.

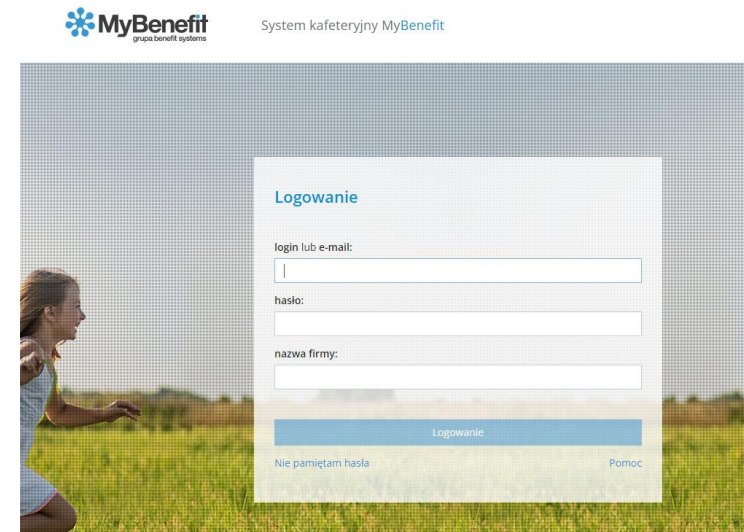

What are the
next steps?

Next steps

- **On the 1st of June**, log in: www.system.mybenefit.pl using the login and password you will receive from the HR Department by e-mail.
- The Cafeteria operates 24/7, all you need is access to the Internet. You will receive your benefits immediately after purchase - no need to wait for delivery.
- Check MyBenefit Cafeteria regularly for the best deals, discounts and seasonal offers! **Choose the best benefits for you and be active. Just the way you like it!**

Thank you
